Per our conversation this morning, here is a narrative recap.

Hollywood Div. PO III + I Eddie Guerra, Serial No, 38136, was involved in an email exchange (Fall of 2016) with Media BID personnel in Hollywood regarding homeless people creating a disruption in front of businesses.

The email exchange discussed 56.11 LAMC and Guerra's responsibilities and intent to help solve the problem.

During the email exchange, Guerra asked the Media BID if they would be support his Police Unity Tour ride via a financial donation. He also included a link to the donation page. He asked for \$400.00 and the Media Bid subsequently wrote a check to Guerra personally for \$400.00. Guerra deposited the \$400.00 check in his personal bank account with the intent of writing a larger check for \$2000.00 to the Police Unity Tour to pay the full fees required to participate in the 2017 event (Guerra also participated in the 2016 Police Unity Tour) .

On January 10, 2017, an internet blog post (michaelkohlhaas.org) reported the above information and alleged Guerra had violation ethics rules. The author also wrote that he had filed a formal complaint with the City of Los Angeles Ethics Commission. Included in the blog was a copy of the \$400.00 check and language allegedly taken from emails that were produced/ released to the author via the California Public Records Act.

I spoke with Dave Grimes and he advised he would consult with Commander Maislin and determine the appropriate next steps (including the issuance of a 128/ & which command would initiate the 128).

I will update you when I have additional information.

Respectfully,

Cory

Eddie, thank you for reaching out, here is what we know. The Tour is from May 8Th to the morning of May 14Th. and your membership covers your room needs.

The League in the past has traditionally paid for the nights of the 14Th and 15Th. As a suggestion , you may want to request to be part of the lapd Honor Guard (instruction on the Dept. LANS) which would cover your extra room nights. What we heard, was that the League paid for dozens of rooms for LAPD Tour members and very few went to any of the events and some even checked out and went home on the 14Th / 15Th. We will have a Tour meeting on Feb. 16Th and we will ask League to come and explain their position.

Stay Safe and think you for riding the Police Unity Tour.

Good evening Curtis,

This is Eddie Guerra from Hollywood Division. I did the ride last year for the first time and I'm going again this year. I have a question for you... I was told the league is not paying for our hotel through the 15th? I was told check-out is on the 15th but that's when the main ceremony on the Capitol Lawn is. If they are not paying do you know what hotel we will be at so I can make arrangements for one more night.

Thank you for your help sir.

Good morning Cindy.... I apologize for the delay in my response. As you can tell we've been busy dealing with protesters throughout the city.

The fund raising is going slow, however, I was able to get a check from the Hollywood Media District for \$400. Their \$400 along with your \$50 have me at \$450. \$1550 more to go.

I hope you're well and look forward to seeing you soon. Again, thank you for your donation.

Cindy,

You are amazing and thank you for supporting me and Law Enforcement. I will be riding from New Jersey to DC and I will be present for all the ceremonies for all the Officers killed in the line of duty this year. Below is the information, the link to the charity page and the Tax ID number for tax purposes.

Again THANK YOU for supporting me in this cause!!!

On May 10, 2017, I will join the Police Unity Tour-Challenge Ride, consisting of nearly 400 law enforcement officers representing police agencies from throughout the United States. The agencies are represented by California law enforcement officers from the Los Angeles County Sheriff's Department, San Bernardino County Sheriffs, Ventura, La Habra, Long Beach, Burbank, Los Angeles, and West Covina. The Challenge Ride also consists of law enforcement officers from the States of Oregon, Colorado, New Jersey, New York, Illinois, Connecticut, Utah, Missouri, New Mexico, Georgia, and Michigan.

We will depart from Somerset, New Jersey and travel through Philadelphia, Delaware, Baltimore, and ultimately into Washington DC.

On May 12, 2017, we will join nearly 2300 law enforcement officers from throughout the country who will bicycle along varying routes, each nearly 300 miles, to the National Law Enforcement Officers Memorial in Washington DC.

On May 13th, we will join over 50,000 people at National Law Enforcement Memorial Candlelight Vigil. During the ceremony, the names of every officer who died in the line of duty during 2016 will be read and his/her name officially added to the Memorial, which already contains over 20,758 fallen heroes.

The primary purpose of the Police Unity Tour is to raise awareness about the police officers that have died in the line of duty. Our motto is, "We Ride For Those Who Died." The secondary purpose is to raise funds for the National Law Enforcement Officers Memorial Fund. Since its inception in 1997, the Police Unity Tour has raised over \$20 million to support the Memorial. It is because of your incredible level of support and financial contributions that I will be able to participate in the 2017 Police Unity Tour and ensure that the heroes who made the ultimate sacrifice are not forgotten.

I am seeking your financial support in order to allow me to ride in this incredibly worthwhile event. Each rider must raise approximately \$2500 in order to participate in the Tour. The first \$1850 is paid to the Police Unity Tour. This money includes a \$1000 donation to the National Law Enforcement Officers Memorial Fund and \$850 to cover support services, ground transportation, overnight lodging, and food while we ride. Donations to the Police Unity Tour are tax deductible (Tax ID# 22-3530541). If you are not concerned about the tax deduction, you may write a check directly to me, which will be applied to the cost of airfare and other expenses that I am responsible for. Any donated monies in excess of what is used for airfare and expenses will be donated to the Police Unity Tour.

You can make a secure online donation to our cause here:

<https://secure.e2rm.com/registant/FundraisingPage.aspx?registrationID=3539242&langPref=en-CA>

Or, Checks should be made payable to Police Unity Tour.

Thank you so very much for your consideration in supporting the Police Unity Tour. If you have any questions, please give me a call or email me.

Good morning Cindy.... I apologize for the delay in my response. As you can tell we've been busy dealing with protesters throughout the city.

The fund raising is going slow, however, I was able to get a check from the Hollywood Media District for \$400. Their \$400 along with your \$50 have me at \$450. \$1550 more to go.

I hope you're well and look forward to seeing you soon. Again, thank you for your donation.

Cindy,

You are amazing and thank you for supporting me and Law Enforcement. I will be riding from New Jersey to DC and I will be present for all the ceremonies for all the Officers killed in the line of duty this year. Below is the information, the link to the charity page and the Tax ID number for tax purposes.

Again THANK YOU for supporting me in this cause!!!

On May 10, 2017, I will join the Police Unity Tour-Challenge Ride, consisting of nearly 400 law enforcement officers representing police agencies from throughout the United States. The agencies are represented by California law enforcement officers from the Los Angeles County Sheriff's Department, San Bernardino County Sheriffs, Ventura, La Habra, Long Beach, Burbank, Los Angeles, and West Covina. The Challenge Ride also consists of law enforcement officers from the States of Oregon, Colorado, New Jersey, New York, Illinois, Connecticut, Utah, Missouri, New Mexico, Georgia, and Michigan.

We will depart from Somerset, New Jersey and travel through Philadelphia, Delaware, Baltimore, and ultimately into Washington DC.

On May 12, 2017, we will join nearly 2300 law enforcement officers from throughout the country who will bicycle along varying routes, each nearly 300 miles, to the National Law Enforcement Officers Memorial in Washington DC.

On May 13th, we will join over 50,000 people at National Law Enforcement Memorial Candlelight Vigil. During the ceremony, the names of every officer who died in the line of duty during 2016 will be read and his/her name officially added to the Memorial, which already contains over 20,758 fallen heroes.

The primary purpose of the Police Unity Tour is to raise awareness about the police officers that have died in the line of duty. Our motto is, "We Ride For Those Who Died." The secondary purpose is to raise funds for the National Law Enforcement Officers Memorial Fund. Since its inception in 1997, the Police Unity Tour has raised over \$20 million to support the Memorial. It is because of your incredible level of support and financial contributions that I will be able to participate in the 2017 Police Unity Tour and ensure that the heroes who made the ultimate sacrifice are not forgotten.

I am seeking your financial support in order to allow me to ride in this incredibly worthwhile event. Each rider must raise approximately \$2500 in order to participate in the Tour. The first \$1850 is paid to the Police Unity Tour. This money includes a \$1000 donation to the National Law Enforcement Officers Memorial Fund and \$850 to cover support services, ground transportation, overnight lodging, and food while we ride. Donations to the Police Unity Tour are tax deductible (Tax ID# 22-3530541). If you are not concerned about the tax deduction, you may write a check directly to me, which will be applied to the cost of airfare and other expenses that I am responsible for. Any donated monies in excess of what is used for airfare and expenses will be donated to the Police Unity Tour.

You can make a secure online donation to our cause here:

<https://secure.e2rm.com/registant/FundraisingPage.aspx?registrationID=3539242&langPref=en-CA>

Or, Checks should be made payable to Police Unity Tour.

Thank you so very much for your consideration in supporting the Police Unity Tour. If you have any questions, please give me a call or email me.

Cindy,

You are amazing and thank you for supporting me and Law Enforcement. I will be riding from New Jersey to DC and I will be present for all the ceremonies for all the Officers killed in the line of duty this year. Below is the information, the link to the charity page and the Tax ID number for tax purposes.

Again THANK YOU for supporting me in this cause!!!

On May 10, 2017, I will join the Police Unity Tour-Challenge Ride, consisting of nearly 400 law enforcement officers representing police agencies from throughout the United States. The agencies are represented by California law enforcement officers from the Los Angeles County Sheriff's Department, San Bernardino County Sheriffs, Ventura, La Habra, Long Beach, Burbank, Los Angeles, and West Covina. The Challenge Ride also consists of law enforcement officers from the States of Oregon, Colorado, New Jersey, New York, Illinois, Connecticut, Utah, Missouri, New Mexico, Georgia, and Michigan.

We will depart from Somerset, New Jersey and travel through Philadelphia, Delaware, Baltimore, and ultimately into Washington DC.

On May 12, 2017, we will join nearly 2300 law enforcement officers from throughout the country who will bicycle along varying routes, each nearly 300 miles, to the National Law Enforcement Officers Memorial in Washington DC.

On May 13th, we will join over 50,000 people at National Law Enforcement Memorial Candlelight Vigil. During the ceremony, the names of every officer who died in the line of duty during 2016 will be read and his/her name officially added to the Memorial, which already contains over 20,758 fallen heroes.

The primary purpose of the Police Unity Tour is to raise awareness about the police officers that have died in the line of duty. Our motto is, "We Ride For Those Who Died." The secondary purpose is to raise funds for the National Law Enforcement Officers Memorial Fund. Since its inception in 1997, the Police Unity Tour has raised over \$20 million to support the Memorial. It is because of your incredible level of support and financial contributions that I will be able to participate in the 2017 Police Unity Tour and ensure that the heroes who made the ultimate sacrifice are not forgotten.

I am seeking your financial support in order to allow me to ride in this incredibly worthwhile event. Each rider must raise approximately \$2500 in order to participate in the Tour. The first \$1850 is paid to the Police Unity Tour. This money includes a \$1000 donation to the National Law Enforcement Officers Memorial Fund and \$850 to cover support services, ground transportation, overnight lodging, and food while we ride. Donations to the Police Unity Tour are tax deductible (Tax ID# 22-3530541). If you are not concerned about the tax deduction, you may write a check directly to me, which will be applied to the cost of airfare and other expenses that I am responsible for. Any donated monies in excess of what is used for airfare and expenses will be donated to the Police Unity Tour.

You can make a secure online donation to our cause here:

<https://secure.e2rm.com/registant/FundraisingPage.aspx?registrationID=3539242&langPref=en-CA>

Or, Checks should be made payable to Police Unity Tour.

Thank you so very much for your consideration in supporting the Police Unity Tour. If you have any questions, please give me a call or email me.

Cindy,

You are amazing and thank you for supporting me and Law Enforcement. I will be riding from New Jersey to DC and I will be present for all the ceremonies for all the Officers killed in the line of duty this year. Below is the information, the link to the charity page and the Tax ID number for tax purposes.

Again THANK YOU for supporting me in this cause!!!

On May 10, 2017, I will join the Police Unity Tour-Challenge Ride, consisting of nearly 400 law enforcement officers representing police agencies from throughout the United States. The agencies are represented by California law enforcement officers from the Los Angeles County Sheriff's Department, San Bernardino County Sheriffs, Ventura, La Habra, Long Beach, Burbank, Los Angeles, and West Covina. The Challenge Ride also consists of law enforcement officers from the States of Oregon, Colorado, New Jersey, New York, Illinois, Connecticut, Utah, Missouri, New Mexico, Georgia, and Michigan.

We will depart from Somerset, New Jersey and travel through Philadelphia, Delaware, Baltimore, and ultimately into Washington DC.

On May 12, 2017, we will join nearly 2300 law enforcement officers from throughout the country who will bicycle along varying routes, each nearly 300 miles, to the National Law Enforcement Officers Memorial in Washington DC.

On May 13th, we will join over 50,000 people at National Law Enforcement Memorial Candlelight Vigil. During the ceremony, the names of every officer who died in the line of duty during 2016 will be read and his/her name officially added to the Memorial, which already contains over 20,758 fallen heroes.

The primary purpose of the Police Unity Tour is to raise awareness about the police officers that have died in the line of duty. Our motto is, "We Ride For Those Who Died." The secondary purpose is to raise funds for the National Law Enforcement Officers Memorial Fund. Since its inception in 1997, the Police Unity Tour has raised over \$20 million to support the Memorial. It is because of your incredible level of support and financial contributions that I will be able to participate in the 2017 Police Unity Tour and ensure that the heroes who made the ultimate sacrifice are not forgotten.

I am seeking your financial support in order to allow me to ride in this incredibly worthwhile event. Each rider must raise approximately \$2500 in order to participate in the Tour. The first \$1850 is paid to the Police Unity Tour. This money includes a \$1000 donation to the National Law Enforcement Officers Memorial Fund and \$850 to cover support services, ground transportation, overnight lodging, and food while we ride. Donations to the Police Unity Tour are tax deductible (Tax ID# 22-3530541). If you are not concerned about the tax deduction, you may write a check directly to me, which will be applied to the cost of airfare and other expenses that I am responsible for. Any donated monies in excess of what is used for airfare and expenses will be donated to the Police Unity Tour.

You can make a secure online donation to our cause here:

Police Unity Tour California Chapter

On May 10, 2017, I will join the Police Unity Tour-Challenge Ride, consisting of nearly 400 law enforcement officers representing police agencies from throughout the United States. The agencies are represented by California law enforcement officers from the Los Angeles County Sheriff's Department, San Bernardino County Sheriffs, Ventura, La Habra, Long Beach, Burbank, Los Angeles, and West Covina. The Challenge Ride also consists of law enforcement officers from the States of Oregon, Colorado, New Jersey, New York, Illinois, Connecticut, Utah, Missouri, New Mexico, Georgia, and Michigan.

We will depart from Somerset, New Jersey and travel through Philadelphia, Delaware, Baltimore, and ultimately into Washington DC.

On May 12, 2017, we will join nearly 2300 law enforcement officers from throughout the country who will bicycle along varying routes, each nearly 300 miles, to the National Law Enforcement Officers Memorial in Washington DC.

On May 13th, we will join over 50,000 people at National Law Enforcement Memorial Candlelight Vigil. During the ceremony, the names of every officer who died in the line of duty during 2016 will be read and his/her name officially added to the Memorial, which already contains over 20,758 fallen heroes.

The primary purpose of the Police Unity Tour is to raise awareness about the police officers that have died in the line of duty. Our motto is, "We Ride For Those Who Died." The secondary purpose is to raise funds for the National Law Enforcement Officers Memorial Fund. Since its inception in 1997, the Police Unity Tour has raised over \$20 million to support the Memorial. It is because of your incredible level of support and financial contributions that I will be able to participate in the 2017 Police Unity Tour and ensure that the heroes who made the ultimate sacrifice are not forgotten.

I am seeking your financial support in order to allow me to ride in this incredibly worthwhile event. Each rider must raise approximately \$2500 in order to participate in the Tour. The first \$1850 is paid to the Police Unity Tour. This money includes a \$1000 donation to the National Law Enforcement Officers Memorial Fund and \$850 to cover support services, ground transportation, overnight lodging, and food while we ride. Donations to the Police Unity Tour are tax deductible (Tax ID# 22-3530541). If you are not concerned about the tax deduction, you may write a check directly to me, which will be applied to the cost of airfare and other expenses that I am responsible for. Any donated monies in excess of what is used for airfare and expenses will be donated to the Police Unity Tour.

You can make a secure online donation to our cause here:

<https://secure.e2rm.com/regisrant/FundraisingPage.aspx?registrationID=3539242&langPref=en-CA>

Checks should be made payable to Police Unity Tour. It would be helpful if your donation is received by February 15, 2017.

Thank you so very much for your consideration in supporting the Police Unity Tour. If you have any questions, please give me a call or email me.

How are you my friend?

I have a question for you....

I need to raise \$400 dollars for the MS Society. I'll be riding my bicycle from Orange County to San Diego this October 2016. I was wondering if the Media District was interested in sponsoring me or donating towards the cause?

You can help me reach that goal by making a donation, it only takes a second and your gift has the power to help create a world free of MS.

Jim,

It's my pleasure! I went out this morning and picked up the bulky items, chairs, couches and items the homeless deemed as trash. Mitch O'Farrell's clean team was also there to help me.

I do however, ask that you continue to help me by requesting bulky items be picked up either by using the MYLA311 application or calling it in to 311. The same number or application can be used to request sanitation for large encampments. It helps me by having documentation and using the city resources. I consider myself to be the last form of defense in regards to picking up the trash. When I'm out there picking up trash it takes me away from patrolling and enforcing the neighborhoods.

Let's continue to work together to keep the area clean and free of crime.

All,

I am enforcing in this area and also have a request out to sanitation to help with the encampments. I will also be there this Thursday morning with our station's pick-up truck asking the homeless to give me what they have as trash. I can't just throw away items only because I deem them as trash. The city is currently being sued and in addition I'm being investigated for disposing someone's property when it was full of feces.

This will be an ongoing project for us all. Please continue to keep me posted with pictures and also, let's reach out to the local businesses impacted with the encampments to help by cleaning the sidewalks daily. I noticed working together we accomplish more.

Businesses are complaining or having problems with the subjects at this location such as (Pavilion, CVS, Milk studios, Hollywood Center studios, 726 Cole, Boys and girls club, Cole be liquor....)

Acevedo,

I dealt with Willoughby and Cole today. Keep me posted if they return. On Tuesday I'll go there with the station's truck and pick up whatever trash is left behind.

A strategy that seems to work for me is a drive several times a week with the truck and I help them downsize and throw away items they deem as trash. It helps them be able to stay mobile and moving versus setting up camp.

Thank you for the pictures.

Hello guerra,

I would like to request for your assistance in regards these subjects at Willoughby and Cole. We're getting complaints from neighbors (Willie from 855 Cahuenga milk studios) in regards some of his clients getting harassed when walking by and the use of alcohol and controlled substances. HMDB.I.D officers make contact with them to relocate them. They leave and come back within a few hours, they also get verbally aggressive and make it difficult when relocating them. Yesterday we responded to a service call in regards same subjects for disturbing the businesses (approximately 4-6 subjects) LAPD also responded. They were having a Barbeque on the sidewalk. Today we had another complaint for the same reason. I appreciate your help in regards this matter.

Thank you, sir

San Bernardino, CA 92401

Dear Chief Burguan,

After the loss of Los Angeles Police Officer Nicholas Lee in 2014, members of the Los Angeles Police Department's Hollywood Division participated in the annual Police Unity Tour honoring their fallen brother and the others who have made the ultimate sacrifice. After that first year, riders were motivated and vowed to take it a step further, cross country. The ride is scheduled to take place in April, 2017. The plan is to ride cross country from Hollywood to Robert Francis Kennedy (RFK) Stadium in Washington, DC and ride into the National Police Memorial with the members of the Police Unity Tour on May 12, 2017. The goal is to accomplish this in 17 days.

Members of Team Hollywood rode in honor of San Bernardino Officer Bryce Hanes during this past year's Police Unit Tour. We were honored to have ridden with members of your Department to pay respect to Bryce and the sacrifice that he made.

We would like to extend an invitation to you and members of your Department to join us. We would consider it both an honor and a privilege to have you ride with us as we come into your City. We anticipate that we will be stopping for a brief break in San Bernardino. We would be grateful if we could stop at your facility. It would also be extremely helpful to have a contact person from your Department to forward information to as the ride gets closer. Enclosed you will find our preliminary route which will take us through San Bernardino.

Should you have any questions regarding this event, please feel free to contact Michelle Rubio, Logistic Coordinator, at V8551@lapd.lacity.org, or Officer Mike Gomez, at 31658@lapd.lacity.org, Cyclist Coordinator. Hollywood Memorial Ride

Dear Friend,

Today in the United States, some 900,000 law enforcement officers put their lives on the line for the safety and protection of others. But that protection comes at a very high price.

A few sobering statistics:

- Every 60 hours a peace officer is killed protecting our families and communities
- Each year, there are over 58,000 assaults
- More than 5,000 injuries on law enforcement officers
- On average, 146 officers are killed in the line of duty each year
- 2016 Line of duty deaths thus far 99

The National Law Enforcement Officers Memorial honors America's fallen law enforcement heroes who have died in the line of duty. Their mission is to tell the story of America's law enforcement officers and make it safer for those who serve.

Over the course of 19 days, members of the Los Angeles Police Department, will embark on the ultimate tribute to these fallen heroes. They will cycle from Hollywood, California to Washington D.C. Their goal is to not only pay tribute to their brothers and sisters who have given their lives protecting and serving their communities, but to raise awareness of their sacrifice and also raise funds for the National Law Enforcement Officers Memorial.

We are seeking support in order to accomplish this incredibly worthwhile event. Funds raised will go towards support services, ground transportation, overnight lodging, and food while we ride. Any donated monies in excess of what is needed for logistical necessities, will be donated to the National Police Officers Memorial in Washington D.C. along with other memorial foundations. Your donation is tax deductible (Tax ID 81-3761128). Any and all donations are welcomed and greatly appreciated.

Please see the enclosed sponsor donation level sheet. Any and all donations are welcome and greatly appreciated and can be payable to Hollywood Area Station Fund, 1358 N. Wilcox Ave, Los Angeles, CA 90028, **ATTN: MA 2 Michelle Rubio**.

Should you have any questions regarding this event or donations, please contact us.

Thank you for your consideration of donating to this truly amazing event.

Today in the United States, some 900,000 law enforcement officers put their lives on the line for the safety and protection of others. But that protection comes at a very high price. A few sobering statistics:

- Every 60 hours a peace officer is killed protecting our families and communities
- Each year, there are over 58,000 assaults
- More than 5,000 injuries on law enforcement officers
- On average, 146 officers are killed in the line of duty each year

The National Law Enforcement Officers Memorial honors America's fallen law enforcement heroes who have died in the line of duty. Their mission is to tell the story of America's law enforcement officers and make it safer for those who serve.

After the loss of Los Angeles Police Officer Nicholas Lee in 2014, members of the Los Angeles Police Department's Hollywood Division participated in the annual Police Unity Tour honoring their fallen brother and the others who have made the ultimate sacrifice. After that first year, riders were motivated and vowed to take it a step further, cross country. The ride is scheduled to take place in April, 2017. The plan is to ride cross country from Hollywood to Robert Francis Kennedy (RFK) Stadium in Washington, DC and ride into the National Police Memorial with the members of the Police Unity Tour.

Through our fundraising efforts, which will benefit our ride, the Los Angeles Police Department's Memorial and the National Law Enforcement Officers Memorial, we hope to raise awareness of our fallen brothers and sisters. We are reaching out to you with the hope that you may be willing to donate your time and talent, in an effort to assist us with our fundraising campaign.

We appreciate any assistance you may be able to help us with.

Should you have any questions regarding this matter, please feel free to contact me at the number or e-mail listed below.

Thank you for your consideration to this request.

Sincerely,

Members of Team Hollywood rode in honor of San Bernardino Officer Bryce Hanes during this past year's Police Unit Tour. We were honored to have ridden with members of your Department to pay respect to Bryce and the sacrifice that he made.

We would like to extend an invitation to you and members of your Department to join us. We would consider it both an honor and a privilege to have you ride with us as we come into your City. We anticipate that we will be stopping for a brief break in San Bernardino. We would be grateful if we could stop at your facility. It would also be extremely helpful to have a contact person from your Department to forward information to as the ride gets closer. Enclosed you will find our preliminary route which will take us through San Bernardino.

Dear Friend,

Today in the United States, some 900,000 law enforcement officers put their lives on the line for the safety and protection of others. But that protection comes at a very high price.

A few sobering statistics:

- 2016 Line of duty deaths thus far 99

The National Law Enforcement Officers Memorial honors America's fallen law enforcement heroes who have died in the line of duty. Their mission is to tell the story of America's law enforcement officers and make it safer for those who serve.

Over the course of 19 days, members of the Los Angeles Police Department, will embark on the ultimate tribute to these fallen heroes. They will cycle from Hollywood, California to Washington D.C. Their goal is to not only pay tribute to their brothers and sisters who have given their lives protecting and serving their communities, but to raise awareness of their sacrifice and also raise funds for the National Law Enforcement Officers Memorial.

We are seeking support in order to accomplish this incredibly worthwhile event. Funds raised will go towards support services, ground transportation, overnight lodging, and food while we ride. Any donated monies in excess of what is needed for logistical necessities, will be donated to the National Police Officers Memorial in Washington D.C. along with other memorial foundations. Your donation is tax deductible (Tax ID 81-3761128). Any and all donations are welcomed and greatly appreciated.

Please see the enclosed sponsor donation level sheet. Any and all donations are welcome and greatly appreciated and can be payable to Hollywood Area Station Fund, 1358 N. Wilcox Ave, Los Angeles, CA 90028, **ATTN: MA 2 Michelle Rubio**.

Should you have any questions regarding this event or donations, please contact us.

Thank you for your consideration of donating to this truly amazing event.

Sincerely,

Team Hollywood
